I have the honour to forward herewith in original the application of Abdul Wazid Daroga of the Goomburz and Head Master of the Sultani School in the old agrahar Mysore, for the sanction of a grant in aid for the latter institution. This institution is now located in a building

constructed by the proprietors of Adam Khan's Masjid to whom an advance of 120/- Rs has been paid from the Goonlewy funds, to be reimbursed by a monthly rental for the School of Rupees 3. Working furniture has been provided for the School at the cost of the Goonlewy.

The present staff of this School consists of 3 Mohamadan and 1 Hindu Teacher and one Peon detailed in the margin. The School affords instructions in Hindustani and Canarese. The Masters receive nothing

nothing for their work in connection with this latter. But all these are on the Gymkhana staff and do duty here under orders of the Gymkhana officer.

"Rupees sixty" are set apart from the Gymkhana funds out of which the rent and other expenses are met.

The present strength of this school is (97) on the roll and the school has been in existense for the last 4 years.

From this large roll-call the utility of the school might be judged.

The Head Master

Master requests on the strength of the above facts that a grant in aid be allotted for the same from the Mugrai Funds or obtained for it from the Educa= =tional department amounting to (20) Rupees a month together with an annual item of 16/- Rupees for the purchase of books at the yearly prize-giving of the school.

There is yet another institution which I wish to bring to your notice for a similar purpose. This one is located at Ganjam. The circum= =stances of this ins

institution are very nearly completely analogous to that of the above school. The strength of the school is (61) on the roll and the school has been contemporaneous with the establishment of the Goomboz. Like the other this one affords instructions in Canarese and Hindustance.

The staff likewise Consists of 3 Mohamedan and one Hindu teacher and one peon detailed in the margin.

The school is held in a building for which (90) Rupees were advanced from the Goomboz fund repayable by a months rent of 3 Rupees

I ~~could~~ would on the strength of these facts suggest that a grant in aid be sanctioned for this school at Ganjam amounting to 15/- Rupees per mensem with 10/- Rupee yearly for prize distribution purposes.

In recommending the application of the Head Master of the former school and in bringing the facts connected with the latter, I ~~could~~ would strongly urge that the institutions require the same Granted and ~~could~~ would therefore recommend their sanction.

Muzarai E. No. 615

With reference to his no 52 of the 18th April 1893 has the honor to inform that the Mysore Government gives no scholarships for vernacular instruction to Mahammadans. The grants that are asked for on account of such scholarships cannot be sanctioned. If it be necessary to give scholarships

scholarships to boys in the Sultani School Mysore or the Ganjam Hindustani School they should be obtained from the Gumbuz fund. The small amounts required for prizes it would not be difficult to collect by subscriptions from the parents of the boys or the well wishers of the institutions
